CONSENT DECREE

I. BACKGROUND

A. On or about September 8, 1998, the United States of America, on behalf of the Environmental Protection Agency ("EPA") and the State of Arkansas (the "State"), on behalf of the Arkansas Department of Environmental Quality ("ADEQ") filed complaints (J-C-98-362 and J-C-98-363) in the United States District Court for the Eastern District of Arkansas against 29 defendants, including Oakley-Keesee Ford, Inc. ("Oakley-Keesee"), under Sections 107 and 113(g)(2) of the Comprehensive Environmental Response, Compensation, and Liability Act, ("CERCLA"), 42 U.S.C. §§ 9607 and 9613(g)(2), for recovery of all response costs incurred or to

be incurred by the United States and the State in response to releases and threatened releases of hazardous substances from the Gurley Pit Superfund Site. Subsequently, those actions were consolidated by the Court.

B. On September 8, 1998, and November 4, 1998, certain members of the Gurley-Related Sites Group ("Group"), including certain of the 29 defendants referenced in paragraph A, filed complaints (C.A. #98-2777 and #98-2968) in the United States District Court for the Western District of Tennessee against the United States seeking a declaratory judgment and injunctive relief to prohibit the United States from requiring the Group to perform the cleanup at the South 8th Street Superfund Site. On November 30, 1998, the late Honorable Jerome Turner denied the Group's motion for a preliminary injunction.

C. Two years earlier, in March 1996 the Signature Combs Plaintiffs and EPA had entered into an Administrative Order On Consent ("AOC") for performance of the remedial design at the South 8th Street Site. All of the Group members, including Oakley-Keese, complied with the AOC. Oakley-Keese paid approximately \$47,500 to the Group for Group costs, including the performance of the remedial design at the South 8th Street Site.

D. On November 18, 1998, EPA issued a UAO to the Group, which at the time included Oakley-Keese, for the performance of the remedial action at the South 8th Street Site. Oakley-Keese, as a member of the Group, contends that it agreed to comply with the UAO. Oakley-Keese later withdrew from the Group and did not participate in further compliance with the UAO.

E. On May 6, 1999, the Signature Combs Plaintiffs amended its complaints in C.A. #98-2777 and #98-2968 to add claims against the United States and numerous private defendants,

including Oakley-Keesee, under Sections 107 and 113(f) of CERCLA, 42 U.S.C. §§ 9607, 9613(f).

F. On November 23, 1999, the United States and the State filed joint amended complaints against the same 29 defendants named in the original complaints, including Oakley-Keesee, under Sections 107 and 113(g)(2) of CERCLA for recovery of all response costs incurred or to be incurred by the United States and the State at both the Gurley Pit and South 8th Street Superfund Sites. On that date, the United States and the State also filed a Notice of Lodging of a Consent Decree between the United States, the State, and more than 170 defendants who provided waste oil to the operation of William M. Gurley. Oakley-Keesee did not join the Consent Decree.

G. After a hearing, on December 19, 2000, the late Honorable Stephen M. Reasoner entered the Consent Decree leaving Oakley-Keesee as the only defendant sued by the Government Plaintiffs whose case required resolution.

H. On March 26, 2002, the United States District Court for the Western District of Tennessee, Honorable Bernice B. Donald presiding, granted the Signature Combs Plaintiffs' unopposed motion to transfer their claims against Oakley-Keesee to the United States District Court for the Eastern District of Arkansas. Those claims were captioned Signature Combs v. Oakley-Keesee, assigned to this Court, and given case No. 3:02CV00125.

I. On May 9, 2002, the Court granted the unopposed motion to consolidate the case of Signature Combs v. Oakley-Keesee with and into the consolidated cases of United States v. Oakley-Keesee, No. 3:98CV00362 and Arkansas Department of Pollution Control and Ecology v. Oakley-Keesee, No. 3:98CV00363.

J. On November 4, 2002, the United States, on behalf of the EPA, lodged with the Court a Consent Decree among the United States, the State, and Oakley-Keesee, Inc. The Consent Decree sought to resolve the claims of the United States and State against Oakley-Keesee as set forth in complaints and amended complaints filed against Oakley-Keesee for recovery of response costs incurred or to be incurred by the United States and the ADEQ in response to releases and threatened releases of hazardous substances from the Gurley Pit and South 8th Street Superfund Sites.

K. On December 12, 2002, the Signature Combs Plaintiffs submitted comments opposing entry of the Consent Decree. Subsequently, the United States and the State moved for entry of the Consent Decree.

L. On February 3 and 9, 2005, the Court, Judge William R. Wilson, Jr., presiding, held an evidentiary hearing on the governments' motion to enter the proposed Consent Decree and on the objections thereto. Closing arguments were heard by telephone conference on February 17, 2005.

M. On March 7, 2005, the Court issued an Order denying the governments' motion to enter the November 2002 Consent Decree. (Doc. 136).

N. On June 23-24, 2005, the Court, Magistrate Judge Henry L. Jones, Jr, presiding, conducted a settlement conference involving representatives of the United States, the State, Oakley-Keesee, and the Signature Combs Plaintiffs.

O. With the assistance of the Magistrate Judge, a settlement agreement set forth below has been reached among all Parties.

P. The Settling Defendant by entering into this Consent Decree does not admit any

liability to the governments or the Signature Combs Plaintiffs arising out of the transactions or occurrences alleged in the complaints and herein.

Q. The Parties recognize, and the Court by entering this Consent Decree finds, that this Consent Decree has been negotiated by the Parties in good faith and implementation of this Consent Decree will avoid prolonged and complicated litigation between the Parties regarding the South 8th Street Site and the Gurley Pit Site, and that this Consent Decree is fair, reasonable, and in the public interest.

R. In conjunction with the entry of this Consent Decree, the Court has agreed to issue an order vacating its Order dated March 7, 2005, in this action.

NOW, THEREFORE, it is hereby Ordered, Adjudged, and Decreed:

IX. COVENANTS BY SETTling DEFENDANT

22. Covenant Not to Sue by Settling Defendant. Subject to the reservations in Paragraph 24, the Settling Defendant hereby covenants not to sue and agrees not to assert any claims or causes of action against the United States or the State or the Signature Combs Plaintiffs with respect to the South 8th Street Site or the Gurley Pit Site, Past and Future Response Costs (as defined herein), State Past and Future Response Costs (as defined herein), or this Consent Decree, including, but not limited to:

a. any direct or indirect claim for reimbursement from the Hazardous Substance

Superfund (established pursuant to the Internal Revenue Code, 26 U.S.C. § 9507) through CERCLA Sections 106(b)(2), 107, 111, 112, 113 or any other provision of law;

b. any claims against the United States, including any department, agency or instrumentality of the United States under CERCLA Sections 107 or 113 or RCRA Section 7003 or similar State law related to the South 8th Street Site or the Gurley Pit Site, or

c. any claims arising out of response activities at the South 8th Street Site or the Gurley Pit Site, including claims based on EPA's or the State's selection of response actions, oversight of response activities or approval of plans for such activities of the Signature Combs Plaintiffs' performance of such activities.

23. Nothing in this Consent Decree shall be deemed to constitute preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

24. The Settling Defendant agrees to waive, withdraw, or dismiss all claims or causes of action that it may have for costs incurred to the date of entry of this Consent Decree or that may be incurred in the future under the terms of this Consent Decree relating to the South 8th Street Site and the Gurley Pit Sites, including for contribution, against the Signature Combs Plaintiffs and all persons not parties to this Consent Decree. In the event the United States pursues enforcement under Paragraphs 13 (United States' Reservations for the South 8th Street Site), or 14 (United States' Reservations for the Gurley Pit Site), this waiver shall have no further force or effect. In the event the State pursues enforcement under Paragraphs 18 (States' Reservations for the South 8th Street Site), or 19 (States' Reservations for the Gurley Pit Site), this waiver shall have no further force or effect.

X. COVENANT BY SIGNATURE COMBS PLAINTIFFS

25. The Signature Combs Plaintiffs covenant not to sue the Settling Defendant pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613, or any other statute or common law claim relating to the South 8th Street Site or the Gurley Pit Site. This covenant not to sue shall take effect upon receipt by the Signature Combs Plaintiffs of the payments required by Section VI, Paragraph 6 (Reimbursement of Response Costs and Penalties) and Section VII, Paragraph 7 (Interest on Late Payments). This covenant not to sue extends only to the Settling Defendant and does not extend to any other person.

X. EFFECT OF SETTLEMENT; CONTRIBUTION PROTECTION

26. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this decree may have under applicable law. Other than as provided in Paragraph 24, the Parties expressly reserve any and all rights, defenses, claims, demands, and causes of action which the Parties may have with respect to any matter, transaction, or occurrence relating in any way to the South 8th Street Site or the Gurley Pit Site against any person not a Party hereto. Nothing herein diminishes the right of the United States, pursuant to Sections 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

27. The Parties agree, and by entering this Consent Decree this Court finds, that the Settling Defendant is entitled to, as of 30 days after the effective date of this Consent Decree,

protection from contribution actions or claims as provided by CERCLA Section 113(f)(2), 42 U.S.C. § 9613(f)(2), for matters addressed in this Consent Decree. The “matters addressed” in this Consent Decree include any and all response actions related to the South 8th Street Site and the Gurley Pit Site and any and all response costs incurred or to be incurred by the Settling Defendant or the United States or the State or others related to the South 8th Street Site or the Gurley Pit Site, including, but not limited to, any action, suit or claim for response costs under CERCLA sections 106, 107, or 113. The “matters addressed” in this settlement do not include those response costs or response actions to which the United States or the State have reserved their rights under this Consent Decree (except for claims for failure to comply with this Decree), in the event that the United States or the State asserts rights against the Settling Defendant coming within the scope of such reservations. It is the intent of the Parties that the Settling Defendant shall have no further liability to the Signature Combs Plaintiffs relating to the South 8th Street Site or the Gurley Pit Site after payment to the Signature Combs Plaintiffs of the amount set forth in Paragraph 6 of this Consent Decree and any Interest due pursuant to Paragraph 7..

28. The Settling Defendant also agrees that with respect to any new suit or claim for contribution brought against it for matters related to this Consent Decree they will notify in writing the United States and the State within 10 days of service of the complaint on them. In addition, the Settling Defendant shall notify the United States and the State within 10 days of service or receipt of any Motion for Summary Judgment and within 10 days of receipt of any order from a court setting a case for trial.

29. In any subsequent administrative or judicial proceeding initiated by the United States

or the State for injunctive relief, recovery of response costs, or other appropriate relief relating to the South 8th Street Site or the Gurley Pit Site, the Settling Defendant shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, res judicata, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised by the United States or the State in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the covenants not to sue set forth in Section VIII (Covenants by Plaintiffs).

XI. RETENTION OF RECORDS

30. Until eight years after the entry of this Consent Decree, the Settling Defendant shall preserve and retain all records and documents now in its possession or control, or which come into its possession or control that relate in any manner to response actions conducted and to be conducted at the South 8th Street Site or the Gurley Pit Site or to the liability of any person for response actions taken at the Sites, regardless of any corporate retention policy to the contrary.

31. At the conclusion of this document retention period, the Settling Defendant shall notify the United States and the State at least 90 days prior to the destruction of any such records or documents, and, upon request by the United States or the State, the Settling Defendant shall deliver any such records or documents to EPA or the State. The Settling Defendant may assert that certain documents, records and other information are privileged under the attorney-client privilege or any other privilege recognized by federal law. If the Settling Defendant asserts such a privilege, it shall provide the Plaintiffs with the following: (1) the title of the document, record, or information; (2) the date of the document, record, or information; (3) the name and title of the author of the document, record, or information; (4) the name and title of each addressee and

recipient; (5) a description of the subject of the document, record, or information; and (6) the privilege asserted by Settling Defendants. However, no documents, reports or other information created or generated pursuant to the requirements of the Consent Decree shall be withheld on the grounds that they are privileged.

32. The Settling Defendant hereby certifies individually that, to the best of its knowledge and belief, after thorough inquiry, it has not knowingly altered, mutilated, discarded, destroyed or otherwise disposed of any records, documents or other information relating to its potential liability regarding the South 8th Street Site or the Gurley Pit Site since notification of potential liability by the United States or the State or the filing of suit against it regarding the South 8th Street Site or the Gurley Pit Site and that it has fully complied with any and all EPA requests for information pursuant to Section 104(e) and 122(e) of CERCLA, 42 U.S.C. § 9604(e) and 9622(e), and Section 3007 of RCRA, 42 U.S.C. § 6927.

XII. NOTICES AND SUBMISSIONS

33. Whenever, under the terms of this Consent Decree, written notice is required to be given or a report or other document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing, and shall be sent by overnight delivery or by facsimile. All notices and submissions shall be considered effective upon receipt, unless otherwise provided.
